

11th World Research Congress Online
European Association for Palliative Care
One Voice, One Vision in Palliative Care

Interactive online sessions 7- 9 October 2020

Wednesday 7th October 2020

9.00 - 9.50 am CET (Central European Time)	Opening Ceremony Chair: Augusto Caraceni, Italy Chair: Christoph Ostgathe, Germany	
Welcome and greetings from the EAPC Board		
Welcome		Caraceni, A. Fallon, M.
Celebration of the international year of the nurse & Midwife - The Contribution of Nursing to Palliative Care Research		Walshe, C.
How to make the most of the EAPC World Research Congress Online		Ostgathe, C.
Piano recital		Mercadante, S.

10.00 - 10.50 am	Covid-19 and the Palliative Care Response Chair: Augusto Caraceni, Italy Chair: Christoph Ostgathe, Germany	
Roles and Responses of Palliative Care in a time of the COVID pandemic and Beyond?		Higginson, I.
Pandemic triage and the role of palliative care. The experience of one hospital in Northern Italy		Riva, L.

11.00 - 11.50 am	Morning break and visit exhibitors	
<u>Open meeting EAPC Task Force on Volunteering</u>		
<u>Open meeting EAPC Task Force on Wish to Hasten Death</u>		

12.00 - 12.50 pm	Palliative care needs and the Covid-19 pandemic – Oral Abstract / Free Communication panel Chair: Catherine Walshe, United Kingdom Chair: Danila Valenti, Italy	
	Changing patterns of mortality during the COVID-19 pandemic: population-based modelling to understand palliative care implications	Bone, A.
	Preparing for the next pandemic - a need to work with and resource a changed community	Rawlinson, F.
	Palliative Care in High Dependency Departments: a challenge to reflect and grow	Tanzi, S.
	Circumstances surrounding death of patients during the Covid-19 pandemic: online-survey study with health care professionals from multiple settings providing end-of-life care	Leemans, K.
	Protect or prohibit? The role of volunteers in palliative and hospice care services during the COVID-19 pandemic. An international survey. (CovPall).	Walshe, C.
	Ethical decision-making at the end-of-life during the COVID-19 pandemic: a systematic rapid review	Hernández-Marrero, P.

1.00 - 1.50 pm	Palliative Care needs and the Covid-19 pandemic – poster discussion panel Chair: Christoph Ostgathe, Germany Chair: Marie Fallon, United Kingdom	
	Hospital-Based Palliative Care Experiences of Patients with COVID-19 [poster LBA-COV-022]	Groninger, H.
	Referrals of care home residents with a diagnosis of Covid-19 to the Hospital Palliative Care Team: A Quality Improvement Project [poster LBA-COV-026]	Boardman, A.
	Wellbeing of nurses caring for patients who died during the Covid-19 pandemic in hospitals, nursing homes and at home: an online-survey study [poster LBA-COV-02]	Leemans, K.
	Multidimensional symptomatology of patients with a COVID-19 infection as comorbidity and hospice care provided, an exploratory study [poster LBA-COV-031]	De Graaf, E.
	The impact of COVID-19 on palliative and hospice care services: an international survey (CovPall) [poster LBA-COV-051]	Oluyase, A.

2.00 - 2.50 pm	Lunch break and visit exhibitors	
	Open meeting EAPC Task Force Children and Young People	
	Open meeting EAPC Reference Group Neurology	

3.00 - 3.50 pm	Children's Palliative Care Seminar: Communication Chair: Joanne Wolfe, USA Chair: Julia Downing, UK
<u>Time, tedium and discovery: advancing research in communication in paediatric palliative care</u>	Bluebond-Langer, M.
Panel discussion with invited free communication and poster abstract authors	
<u>Children's, parents' and clinicians' perspectives of "normality" as revealed in conversations between clinicians, parents and children with a high risk brain tumour: Implications for practice</u>	Beecham, E.
<u>How children's understanding of illness, death and dying impacts on communication: results from the USA, Haiti and Uganda [poster CPC3]</u>	Downing, J.
<u>Antenatal counselling and decision-making following a diagnosis of Hypoplastic Left Heart Syndrome: a qualitative interview study [poster CPC4]</u>	Bertaud, S.
<u>Fruits from a prayer tree: Insights from the prayers left in a children's hospital chapel [poster CPC5]</u>	Beecham, E.

4.00 - 4.50 pm	Children's Palliative Care Seminar: The development of services and interventions in paediatric palliative care Chair: Myra Bluebond-Langer, UK Chair: Lorna Fraser, Scotland
<u>Moving from observation and description to psychosocial interventions in paediatric palliative care</u>	Führer, M.
Panel discussion with invited free communication and poster abstract authors	
<u>Understanding the wellbeing of parental caregivers of children with life-limiting conditions: findings from a mixed methods scoping study</u>	Henderson, E.M.
<u>When a child dies: a systematic review of well-defined parent-focused bereavement interventions and their alignment with grief and loss theories</u>	Kochen, E.M.
<u>Estimating current and future prevalence of life-limiting conditions in children and young people in England</u>	Fraser, L.
<u>Palliative care referral patterns of adolescent and young adult patients at a comprehensive cancer center</u>	Lockwood, B.
<u>"She gives our lives a deeper meaning": meaning in life of parents of children in palliative care [poster CPC11]</u>	Heitkamp, N.

5.00 – 5.50 pm	Afternoon break and visit exhibitors
Open meeting EAPC Task Force on Refugees and Migrants	
Open meeting European Union Joint Action Innovative Partnership for Action Against Cancer (iPAAC) (5pm to 6.30pm CET)	

6.00 – 6.50 pm	Children's Palliative Care Seminar: Advance Care Planning Chair: Monika Führer, Germany Chair: Anna Monz, Germany	
Advance care planning in paediatric palliative care: how to leverage lessons learned in adult care?		Rietjens, J.
Panel discussion with invited free communication and poster abstract authors		
The development of a pediatric advance care planning intervention: Implementing Pediatric Advance Care Planning Toolkit (IMPACT)		Fahner, J.
Envisioning the future in advance care planning as parents of a seriously ill child: a qualitative study) [poster CPC19]		Fahner, J.
Paediatric advance care planning initiation in the UK and Ireland: a survey [poster CPC20]		Carr, K.
Barriers and facilitators for parents when participating in an end-of-life decision for their infant [poster CPC21]		Piette, V.
The child and young person's advance care plan (CYPACP); the experience of families and professionals [poster CPC22]		Spry, J.

7.00 – 7.50 pm	Children's Palliative Care Seminar: Wellbeing of children, parents and professionals Chair: Franca Benini, Italy Chair: Ross Drake, New Zealand	
Suffering and wellbeing in children with serious illness: strategies for improvement		Wolfe, J.
Panel discussion with invited free communication and poster abstract authors		
Pediatric Palliative Care (PPC) facing ethical challenges and clinical complexity in children with Spinal Muscular Atrophy Type 1(SMA 1) treated with Nusinersen		Agosto, C.
Eliciting the symptom experiences of children receiving palliative care using open questions and the Memorial Symptom Assessment Scale (MSAS) [poster CPC14]		Anderson, A.

Polypharmacy in children and young people with life-limiting conditions: an observational cohort study in England [poster CPC15]	Taylor, J.
Rapid paediatric program [poster CPC16]	Drake, R.

8.00 – 8.50 pm	Meet-the-expert	
Children's palliative care	Bluebond-Langner, M. and Wolfe, J.	
Palliative care outcomes	Bausewein, C. and Murtagh, F.	

Thursday 8th October 2020

9.00 – 9.50 am CET (Central European Time)	Ventafridda lecture and Palliative Medicine Paper of the Year Award Chair: Augusto Caraceni, Italy Chair: Per Sjøgren, Denmark	
From tumour centred to patient centred cancer care: a three decade journey	Kaasa, S.	
Palliative Medicine Paper of the Year	Walshe, C.	

10.00 – 10.50 am	EAPC Award Winners Chair: Lieve van Den Block, Belgium Chair: Martin Loucka, Czech Republic	
EAPC Early Researcher Award Sedation in Palliative Care: Practice and challenges	Schildmann, E. K.	
EAPC Post-Doctoral Award Contextualising constraints to improve palliative care	Bloomer, M.	

11.00 – 11.50 am	Morning break and visit exhibitors	
Open meeting EAPC Reference Group on Spirituality		
Open meeting EAPC Task Force on International Collaboration for the Development of Healthcare Professional Guidelines in Palliative Care		

12.00 – 12.50 pm	Meet-the-experts	
Integration of specialist palliative care: organisational models of collaboration for optimal research	Hjermstad Jensen, M. Mitchell, G.	
New technologies in palliative care	Brunelli, C. and Steigleder, T.	

1.00 – 1.50 pm	Themed session: Integration of Specialist Palliative Care: organizational models of collaboration for optimal research Chair: Sebastien Moine, France Chair: Sonja McIlpatrick, Northern Ireland
What do we measure in primary care palliative care studies?	Mitchell, G.
Cancer: integration and stigma	Zimmerman, C.
Evaluating methods for optimal integration in frailty and dementia	Evans, C.

2.00 – 2.50 pm	Lunch Break and visit exhibitors
Open Meeting EU-Funded Palliative Care Research	

3.00 – 3.50 pm	Themed Session: Palliative Care Outcomes Chair: Jeroen Hasselaar, Netherlands Chair: Karl Bitchnau, Austria
Selecting meaningful outcomes. Methodology to develop Core Outcome Set: COMET	Harman, N.
Implementation of Patients Reported Outcomes (PROMs) in oncology, palliative care and as methods for integration: does it change clinical practice?	Grønvold, M.
Where are we now: mapping outcome measurements for patients and relatives in palliative care	Murtagh, F.

4.00 – 4.50 pm	Poster discussion session 1 Chair: Gert Huysmans, Belgium Chair: Phil Larkin, Switzerland
Educate, nurture, advise, before life ends: comprehensive heart care for patients and families (ENABLE CHF-PC): examining quality of life and mood outcomes in an early palliative care telehealth randomized trial for patients with advanced heart [poster P01-239]	Wells, R.
Mixed methods feasibility cluster randomised controlled trial of a community-based enhanced care intervention to improve person-centred outcomes for people living with HIV in Ghana [poster P02-092]	Abboah-Offei, M.
Understanding the processes underpinning the successful implementation of patient-centered outcome measures in routine palliative care: a normalisation process theory approach [poster P02-280]	Bradshaw, A.

Insights into the dying phase provided by radar-based biometric assessment [poster P02-333]	Steigleder, T.
Medical end-of-life practices among patients in the last year of life: a retrospective study with Canadian physicians [poster P01-375]	Marcoux, I.

5.00 – 5.50pm	Afternoon break and visit exhibitors
---------------	--------------------------------------

6.00 – 6.50 pm	Themed Session: Palliative Care in the Intensive Care Unit Chair: Josep Porta Sales, Spain Chair: Sandra Martins Pereira, Portugal
Palliative care for children in critical care	Ramelet, A.
End of life decision making in the Intensive Care Unit	Klepstad, P.

7.00 – 7.50 pm	Junior forum meeting (open to all junior researchers) Chair: Geana Paula Kurita, Denmark Chair: Morena Shkodra, Italy
Hints to become a successful researcher	Bruera, E.
Trajectory of a young researcher	Schildmann, E. K.
Forum discussion	

8.00 – 8.50 pm	<u>Social Event Science Slam 2020</u>
----------------	----------------------------------------------

Friday 9th October 2020

9.00 - 9.50 am CET (Central European Time)	Cicely Saunders Award Journal of Palliative Medicine European Paper of the Year Award Chair: Irene Higginson, United Kingdom Chair: Marie Fallon, United Kingdom
Multidisciplinary working in palliative care: challenges and achievements in the past decades. Prize is awarded by Ms Kate Kirk, niece of Dame Cicely and Trustee of Cicely Saunders International	Payne, S.
Journal of Palliative Medicine European Paper of the Year	Von Gunten, C.

10.00 - 10.50 am	High scoring abstracts session Chair: Lieve van Den Block, Belgium Chair: Per Sjøgren, Denmark
The effect of the “PACE steps to success” programme on hospital admissions in the last month of life and the place of death of nursing home residents in 7 European countries	Honinx, E.
Effectiveness of a specialized intervention for patients suffering from breathlessness in advanced disease in Germany: a pragmatic fast-track randomized controlled trial (BreathEase)	Bausewein, C.
Palliative sedation does not shorten survival in the last days of life in patients with advanced cancer: a propensity score-weighted analysis of a prospective cohort study	Yokomichi, N.
Accelerated transition from oncological treatment to specialized palliative care at home: DOMUS study effect on survival after 30 months	Kurita, G.

11.00 - 11.50 am	Morning break and visit exhibitors
Open meeting EAPC Task Force Mapping Palliative Care Provision for Prisoners in Europe	

12.00 – 12.50 pm	Poster discussion session 2 Chair: Daniela Mosoiu, Romania Chair: Roeline Pasman, Netherlands
Improving palliative care for people with intellectual disabilities: sustainable implementation of palliative care innovations [poster P02-232]	Voss, H.
Do person-centred models of care delivered in the community improve outcomes for people living with HIV/AIDS? A systematic review of the evidence [poster P02-365]	Abboah-Offei, M.
Positive impact of palliative care on potentially inappropriate end of life care for cancer patients: a nationwide population-based cohort study [poster P02-294]	Boddaert, M.
Which patient with advanced disease miss out on specialist palliative care at home? Analysis of UK national survey, 2011-2015 [poster P02-358]	Elmokhallalati, Y.
Exploring the lived experiences of the adult family caregivers caring for patients with malignant fungating wounds in head and neck cancer in India: an interpretative phenomenological [poster P02-138]	Rao, S. R.
Diagnostic models for impending death in terminally-ill cancer patients who have become bedbound: a multicenter cohort study [poster P02-247]	Mori, M.

1.00 – 1.50 pm	Themed session: Health Service quality & performance and costs Chair: Lara Pivodic, Belgium Chair: Sonja McIlpatrick, Northern Ireland	
	Using big data to benchmark the quality of end-of-life care and estimate cost implications of quality improvement	Cohen, J.
	Using quality indicators to evaluate palliative care services or networks	Scaccabarozzi, G.
	Economic analysis for palliative care using the ICECAP measures	Coast, J.

2.00 - 2.50 pm	Lunch break and visit exhibitors	
	Open Meeting EAPC Reference Group Primary Palliative Care	
	Open Meeting EAPC Reference Group Intellectual Disability	

3.00 – 3.50 pm	Themed Session: Opioid “challenges” Chair: Gert Huysmans, Belgium Chair: Marianne Jensen Hjermstad, Norway	
	Is opioid addiction a problem in palliative care? Definitions, assessment and clinical implications	Bruera, E.
	Framing the evidence: do we need to revisit the palliative care opioid guidelines?	Sjøgren, P.
	Risk factors assessment (research) in opioid addiction and comparison across different countries	Mercadante, S.

4.00 – 4.50 pm	Meet-the-expert	
	Opioid “challenges”	Bruera, E.
	Effective components of palliative care intervention	Jacobsen J Van den Block, L

5.00 – 5.50pm	Afternoon break and visit exhibitors	
	Open Meeting EAPC Task Force on Advance care planning in dementia: conceptualisation and recommendations for practice, policy and research	

6.00 - 6.50 pm	Themed Session: Effective components of Palliative Care interventions Chair: Pablo Hernández-Marrero, Portugal Chair: Nancy Preston, UK	
	Components of early palliative care trials	Jacobsen, J.
	Effective components of palliative care communication	Parry, R.
	Adding process to outcome evaluations in clinical trials	Rodin, G.

7.00 – 8.00 pm	Closing Ceremony Chair: Augusto Caraceni, Italy Chair: Christoph Ostgathe, Germany	
	Closing remarks Welcome to the EAPC World Congress Online 2021 The Palliators	Caraceni, A Murtagh, F
